Shalom,

Mazal Tov and congratulations to the entire Ahavath Achim community on the joyous occasion of the dedication of your renewed sanctuary.

Since 1886, Ahavath Achim has stood as a vibrant center of Jewish life in the Southeast, dedicated to instilling and maintaining a proud Jewish identity through generations of Atlanta Jewish families. Our Jewish peoplehood has survived and thrived over millennia thanks in large part to such communities, which for the past 75 years have also played an important role in supporting the relations with the modern State of Israel, a relationship vital for the Jewish people and the State of Israel alike.

As you dedicate this space, may the light of brotherly and sisterly love, Ahavath Achim, shine on you all and extend much beyond, because the importance of loving one another, despite any possible differences, is crucial to our peoplehood today and tomorrow.
